TORRE GLÓRIES

LOOM
EVENTS

Every last detail of the auditorium in Torre Glòries has been designed by architect **Jean Nouvel**, responsible for other exceptional buildings such as Madrid's Reina Sofia Museum and winner of the Pritzker Architecture Prize.

The auditorium is located within the iconic Torre Glòries tower, which has become the second most photographed building after the Sagrada Familia.

The space also offers 360° views of Barcelona, making it truly unique.
