# AT A HEIGHT OF 12 METRES

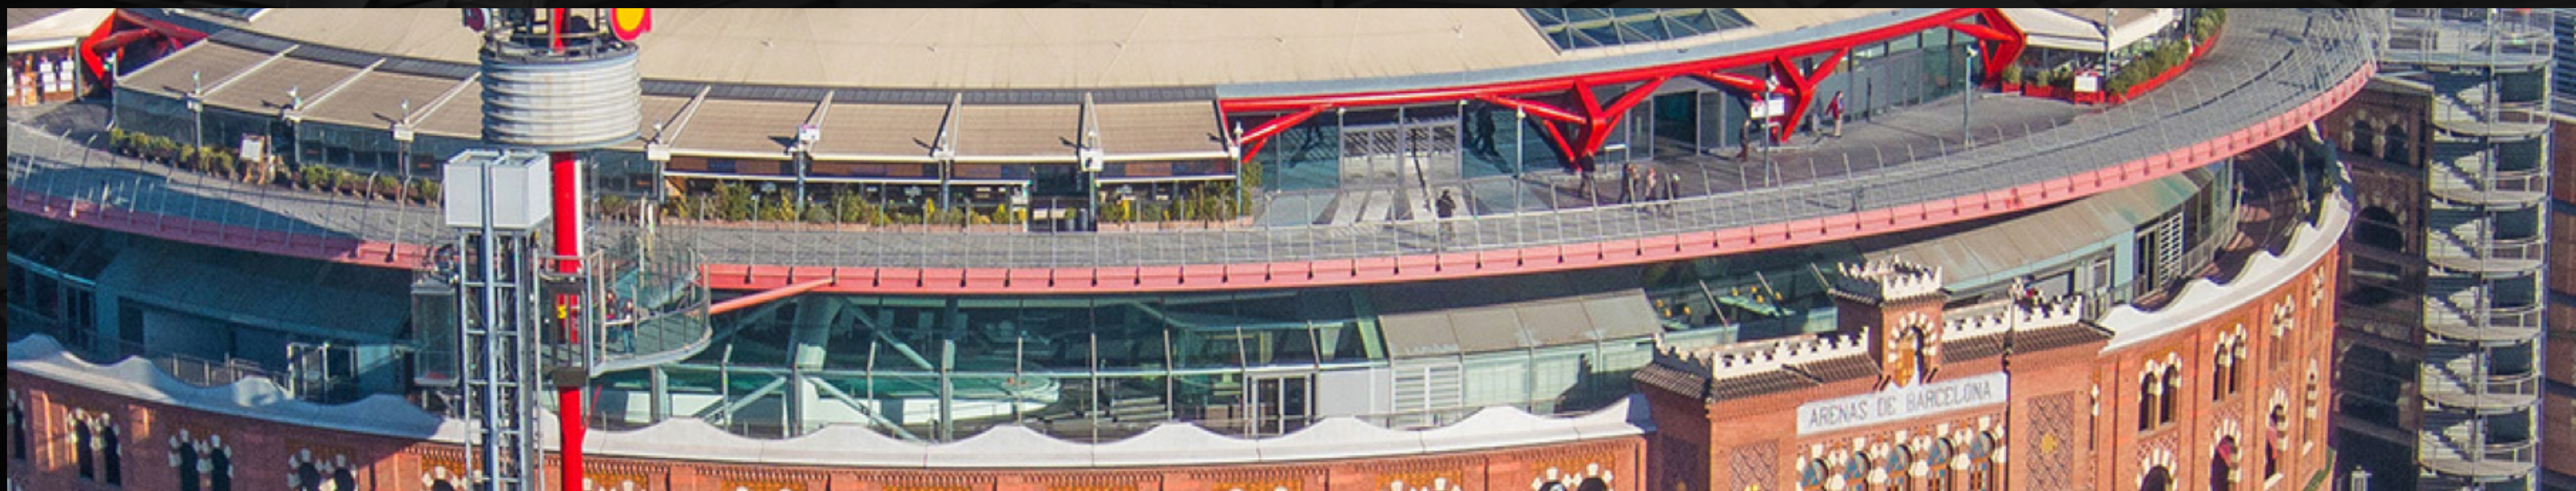

**SURROUNDED BY AN OUTDOOR  
VIEWING PLATFORM WITH 360°  
VIEWS OF THE CITY OF BARCELONA.**

Located on the viewpoint floor of the Arenas Shopping Centre in Barcelona, the Arenas Dome is a multi-purpose space crowned by the largest wooden dome in Europe. Multi-use, fully adaptable space in central Barcelona.

Set at a height of 12m with 2,560m<sup>2</sup> of available space, this is an exceptional and highly versatile venue that can be adapted

for any kind of event, corporate, sporting, cultural, showroom, fashion shows, trade fairs and exhibitions.

Surrounded by an outdoor viewing platform, “Terrat 360°” with impressive views over the city of Barcelona and 7 restaurants, offering a unique dining experience. The Arenas Dome has its own car park for customers and is very close to a large number of hotels within a 500m radius.

# BARCELONA, CITY OF CONGRESSES

Located in the district of L'Eixample, right in the city centre. The Arenas Dome boasts an exceptional and strategic location in the Plaza España. It has its own parking facilities and is very close to a Metro station served by two different lines, as well as a railway station, making it very easy to reach. Located right by the city's Fairground and Exhibition site, it offers major potential for business synergies.

**BARCELONA IS THE FIFTH MOST  
IMPORTANT CITY IN THE WORLD  
WHEN IT COMES TO CONGRESSES,  
WELCOMING MORE THAN 3.5  
MILLION EXHIBITORS A YEAR**

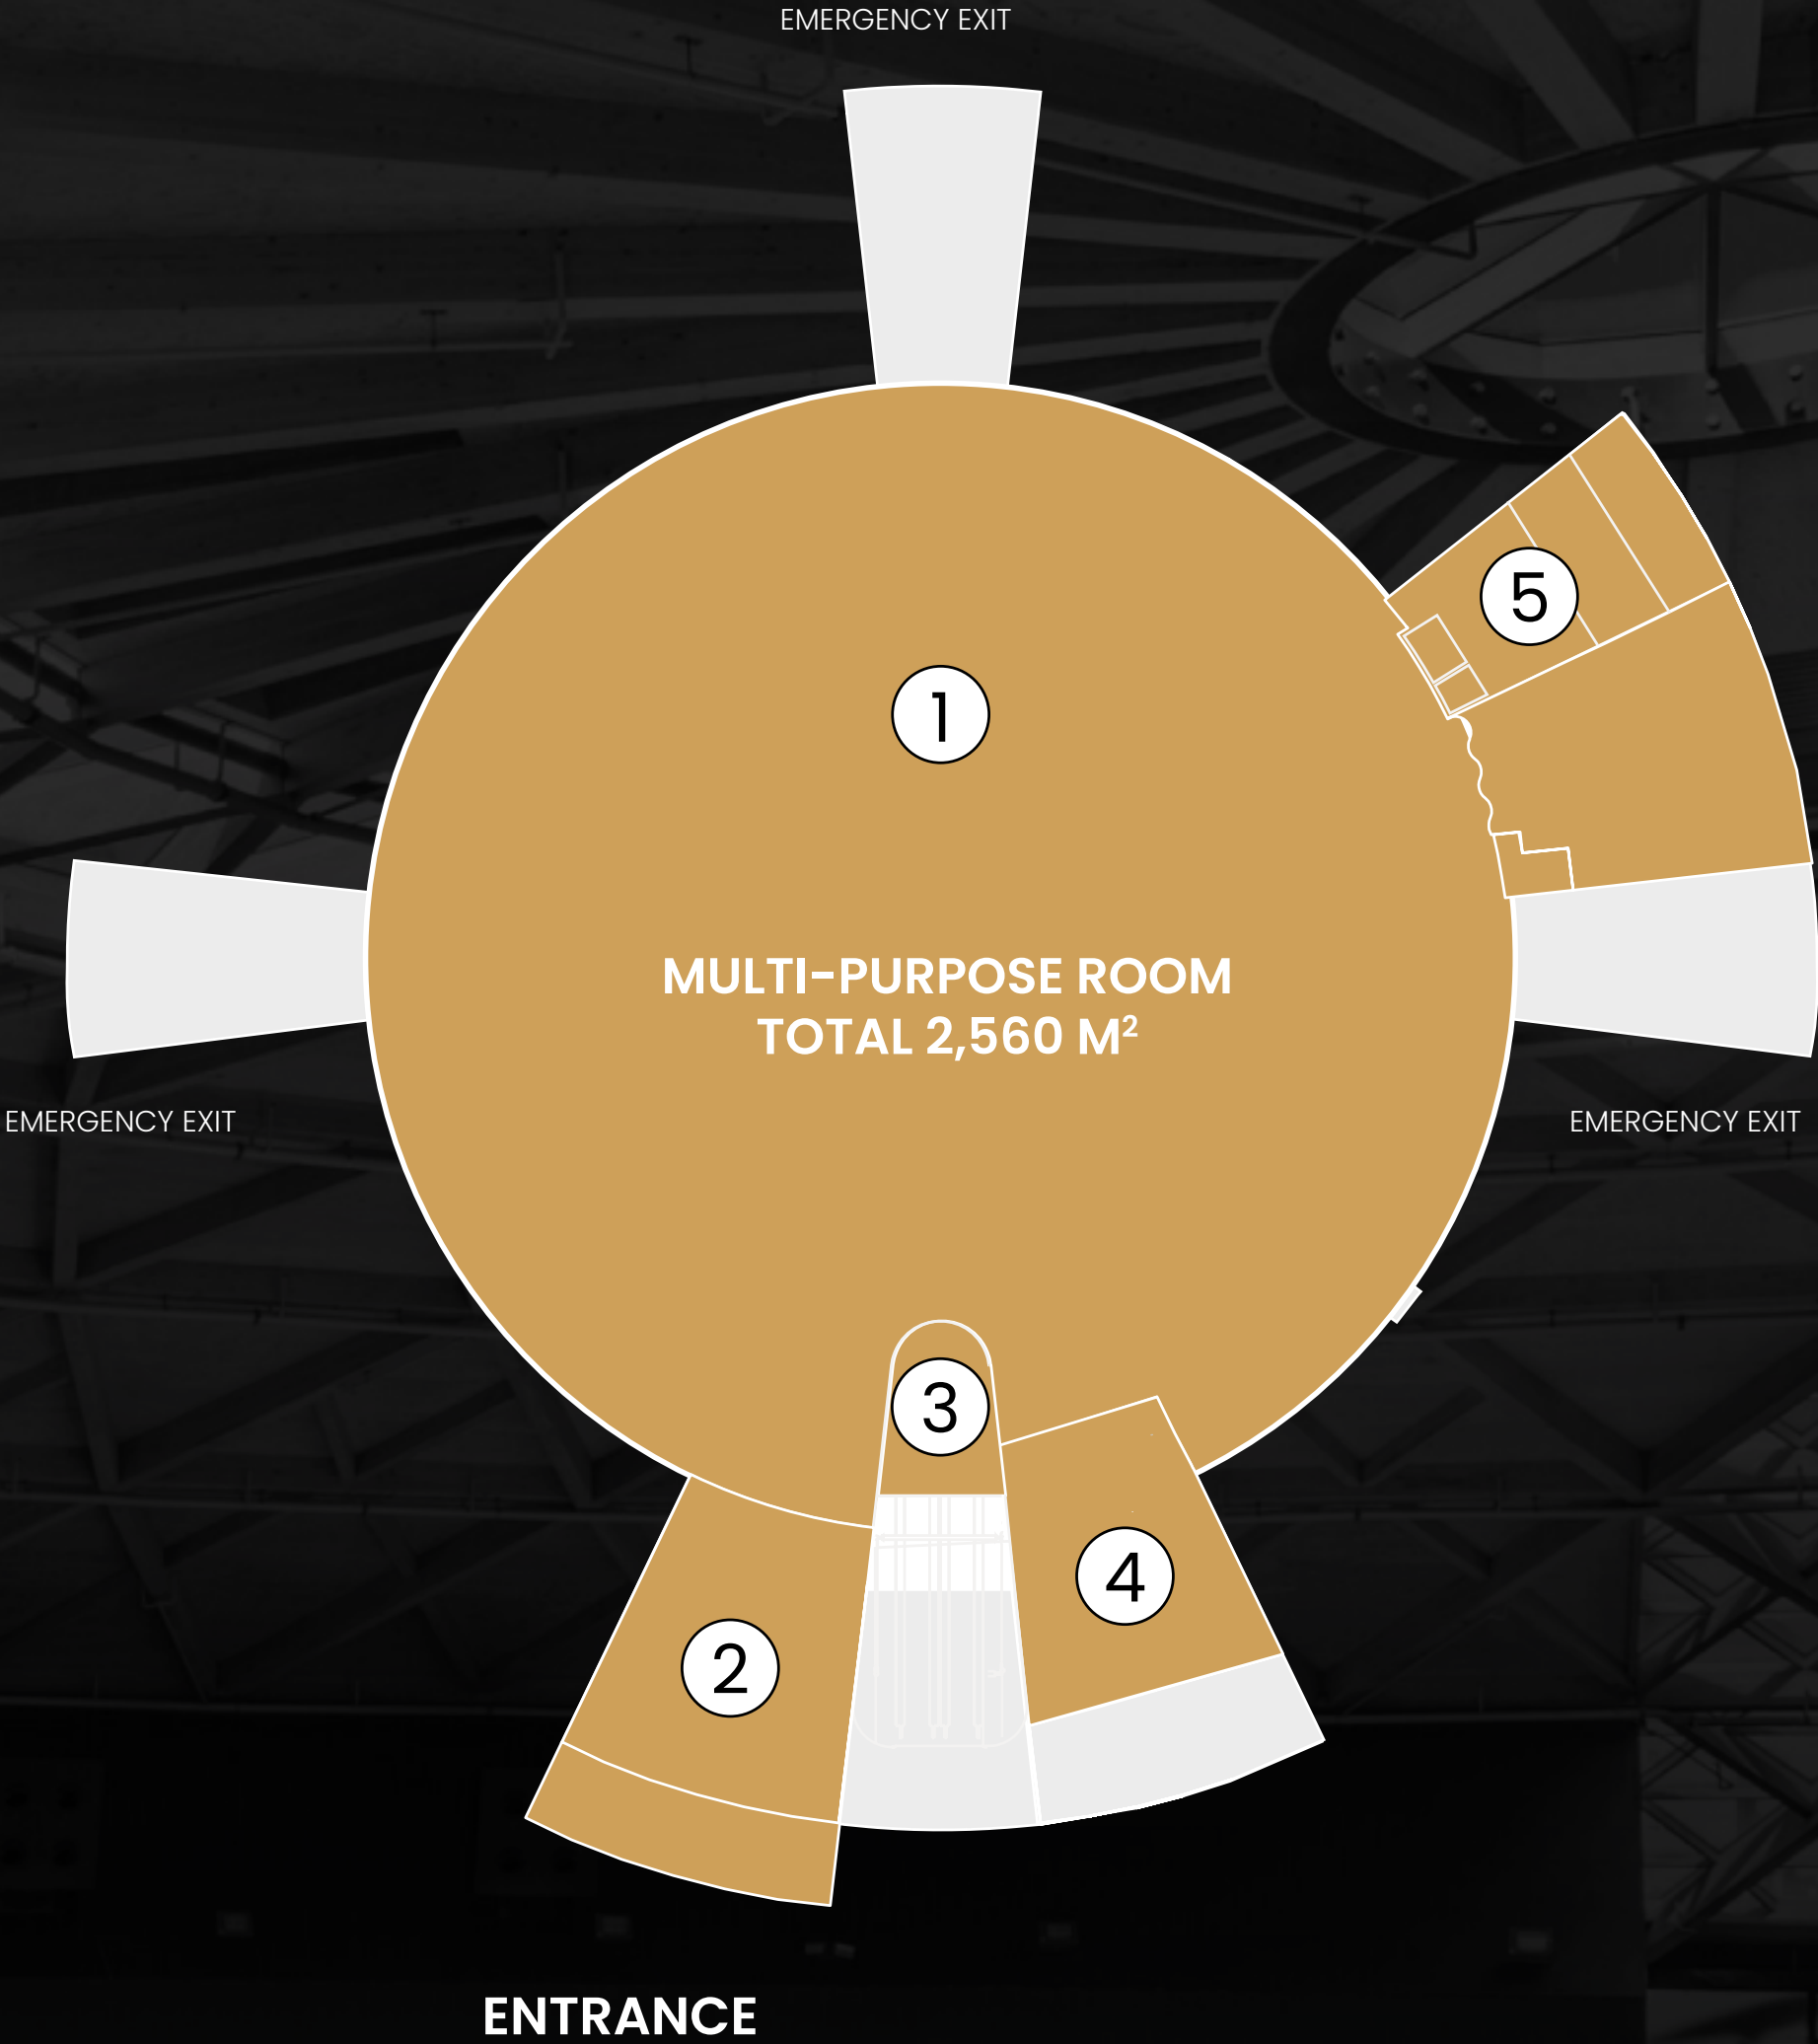

Space located within Barcelona's Arenas Shopping Centre, it has become a key cultural venue in the city thanks to its versatility.
